Projects

CollabCorner - collabcorner.hkayrad.me

Co-Founder

CollabCorner is collection of projects that we want to accomplish in university. Our first project is NZ UAV Plane. You can check it out in CollabCorner website.

Evrin Agaci High School Club - lise.evrinagaci.org

Volunteer

Evrin Agaci High School Club is a project where 60 high school students come together and organise events for other high school students.

Bohredom - bohredom.hkayrad.me

Co-Founder

Bohredom is an online astronomy website where we compiled some telescope photographs and made it viewable in 360 degrees.

Intercasted¹ - intercasted.com²

Chief Technology Officer

Intercasted was a video streaming service where you can stream your videos interactively. We used PHP, jQuery and MySQL to build the project.

HKLib³ - hklib.com⁴

Founder

HKLib is an online library management app so you can manage your home library without a hitch.
